

Bio Truckwash

Biodegradable Heavy Duty Cleaner

DESCRIPTION

FS Truckwash is a non-toxic, non-caustic, biodegradable heavy duty detergent designed to easily remove dirt, mud, road grime, oil and exhaust soot. It can safely be used to clean paintwork, chrome, rubber, windscreens, fibreglass, aluminium, tarpaulins, vinyl and most washable surfaces. It will not affect paint and, being free-rinsing, will not cause streaking.

APPLICATIONS

At lower concentrations (1:100, 1:50 or 1:30), **Bio Truckwash** can perform the functions of a froth and bubble truckwash very successfully. **Bio Truckwash** can be used for cleaning diamond core samples. At higher concentrations (1:20, 1:10, or even brushed on neat) it can be used as a light degreaser

ADVANTAGES

- Biodegradable, non-dangerous, non-hazardous, non-flammable
- Water based
- Safe to use on hands
- Effective in fresh and extremely poor quality water
- Free rinsing and may be used at all water temperatures
- Safely removes grease, oil, diesel exhaust stains, dirt, gum and grime from all washable surfaces.
